SNAP SHOTS AT THE SANITARY BOARD.

The fortnightly conclave of the "City Fathers" becoming an interesting event. Sapitary Board was reconstituted its meetings were naturally regarded with close attention, and ing or savoury than drains and sewers. This has hard knocks. I be new blood on the Board has infused a fresh and vigorous life to the body. It is no longer a "one borse show," as we rulgarly put it, but is a collection of nutamed colfs who are apt to be restive and hiovigorously. Is the reason far to soak? Are there not four Irishmen around the table?

And the Ir shmen seem to have had a pretigood fling lately. The Q.C. no longer has the field to bimself; his caustic oratory does not now. fall ppon a meek and long suffering andiesce. To what lengths these Irishmen will go I should not like to say. We know the inherent capacity picious circumstances, may expect anything, and ganded by the taunts some very startling remarks on things in general and things official in particular.

The Acting Director of Public Works has burst like a very Sirius on the firmament of debate. He is not, as head of his much abused what he deems the unjustifiable attucks of the arch reformer. He will give a Reland for his Oliver, and if he is to be a target for abase h Mr. Tooker, " Examine the beam in thine own eya before discovering the mote in thy brother's " Physician heal thyself." Plain words, hard straight hits, pitched but ties in fact. will make this aroun of debate full of human interest. It is as good as a cock fight.

Another official Paddy, renowaed for his sterling common souse and resistless energy, is a man of few words-Unrlyle would call him a silent man-and yet withat he is perhaps the those in high authority and that it should come

The Band of the S. L. I. plays at Mount from the course it did makes it gull and wormwood. Futile, of course ! It is magnificent, as Napoleon said, but it is not war. It is magnifi-The bathing pavilious at the flay View Hotel cont. but it is not predent or effective, and it is certainly not official.

I rather fancy these recalcitrant Trishmen must have arranged for the enactment of this lit the furthightly comedy. The roles are so clearly allotted. We have the villain of the piece The D. D. R stonmer Daphne, from Hamwithout any disguise-glorying in his villainy in fact. We have beside him the injured party and the noble admirable here whem everyone listens attentively to when he gets his recite "off his chest." And as to the "funny man; woll there is enough for in the play itself; The question of bringing about an im- holsting code poneant C, to convey men ashere you don't require a Grossmith to make Gilbert provement in the registration of deaths was to 11 a.m. service, at St. Peter's (Seamen's) and Sullivan amusing. Yes, I have come to the conclusion that there is a conspiracy on to make the Sanitary Board a theatre of varieties, and Lanticipate the next act with much relian.

> At Thursday's meeting a new member, who judging by his deads during his abort tenure of office, intends to have his money's worth, was realing off a very entertaining speach when the "Speaker's eye" ounght sight of a neatly written manuscript. The memhis attention was promptly called to this tion-the spontaneous wit, the happy idea, the A new vessel has been constructed for the Hight of sudden inspiration, the stirring perora-

unreliable. Whatever may be thought of his the same Company. She will be called the ing the order for their no power to bind the Chinese government to kept in front of the nose and mouth in meeting. first letter, which becomes still more curious light and every improvement. The Siam is arother simils, he reminds one of the man prodding patients at the Ngoi Yuk I'sin Tong and Kwong if, for instance, the Throne were displeased for those at the reporter's table.

> looks up in mi'd surprise, all attention. One by our contemporary thinks, might be disponsed who has some other business to lay before them, existence of the plague was officially proclaimed. sanitation of the colony. No laws were good laws in those days, and the Colonial Surgeon acted upon them according to his lights

A Sapitary Board of course is not a thing he trifled with. It has a very keen sense of no I am not going to say of smell, but-of dignity Then Surgeon Major James sent his retort to Dr. Cantlie's "Connudrum" to the local press and then asked that it should be made a minute in the proceedings of the Board, he of course grie rously offended the orthodoxy of the Board, "minute" is a very different thing from a letter in the much though it may be the same thing (paradoxical isa't i(?) and though a \* minute may be a "letter," a "letter" (published as such) cannot be a "minute"-that is to say, not in future, for the offender has been warned and-well -he is another who won't do it again.

The Acting Director of Public Works must go up one more-be has been going up over accomplishment of Mr. Tooker. The said gentleman according to a letter laid b fore the Board, paid a visit the other day to the Reclamation works, and from a careful examination af the sewage at the outlet there be instinctively The Italian Chamber has roted the Anti- Duddell Street. Now it is really neeful to have nu official like this knocking around the colony. There is no getting away from a man who own establish such a sympathetic connection as this. Why, with a little practice he would be able to tell us what we have had for diamer by observing the smoke from the cookhouse chimney enrling

> By the way, for the information of the order that that worthy may not again mix up the meanings of "sewage" and "sowerage." In his letter alluded to he save that foreshore. He should have said "sewage," for here are the definitions: SEWERAGE: -the whole sewers of a city.

St. WAGE :- refuse carried off by sewers.

EMIGRATION FROM MACAO TO BRAZIL.

Mr. A. E. Hippisley, Commissioner of Customs, in his report on the trade of Lappa for last

Towards the close of 1892 the "Companhia Metropolitana de Rio Janoiro." for the promotion of Chinese emigration to Brazil, opened an agency in Hongkong, but the legislative on actments there being unfavourable to such an enterprise, the loous operandi was removed to Macao, and the German steamer Tetartes churtered to convey the emigrants to their destination. The steamer was arrested in Hongkoug in July on a charge of infringing the Chinese Emigration Ordinance of 1889, but was acquitted by the 474 "emigrants." She is reported to have arrival is variously stated. The Chinese authorities projected against this em gration, and the objections to it were many and serious. A Treaty was negotiafed, it is true, between China and Brazil in 1831, but no provision was made in it for emigration; and its inudequacy and the nocossity for a supplementary special Convention. in order to secure the labour desired, had been. this purpose of a special Envoy, who was then personal vanity, which explains the greater part ratire to a bad in-doors and, exchanging his on route. THE LATEST INVENTION.

CIKULUS PATENT OKONITE TRUSSES for Hernia (Bupture) are in all respects the most perfect and unique instruments ever offered to the public as mechanical apports and remedi I appliances for any form of rapture or internal prolapse. These trustes are of the best possible manufacture ( they are self-adjusting, light, and comfortable. The external surface being completely covered with a non-absorbent material (Ocenite) renders them absolutely impervious to molature, perspire ion, and the said excretions of the skin, caunot rust or get out of order, cause no entansons irritation, will hold presente, has neither understraps, levers, nor com- NEURALGIA. RHEUM TEISM, FEVER, broth fastenings, may be washed when necessary with TYPHUS; INFLUENZA, DENGUE, impunity, and our therefore he worn any length of ERYSIPELAS, HOOPING COUGH, and time in any climate without becoming offensive, as is the case with those constructed of leather, clastic. and other objectionable materials of a porous character. After severe and extended trials the Lancet, British Medical Journal, Medical Press and Circular, Illustrated Medical News, and Hospital Gazette have reported favourably on Skull's Patent Oconite Trusses for Hernia, as well as the following members of the Medical Profession : -

CHRONICLE AND DIRECTORY CHINA, JAPAN, SPAAITS, &c., &c., 1894,

With which is incorporated THE CRINI DIRECTORY.

This is the THIRTY-SECOND ANNUAL ISSUE. and will on found; as mount, to show an advance on preceding years both in fuln as and accuracy of information. The DIRECTORY covers the whole of the ports and cities of the Far East, from Penang to Visdivostock, in which Europeans reside. Not only is the Directory as full and complete in each case as it can be made, but each Colony, Port, or Settlement is prefered by a DESCRIP. TION, carefully revised outh vany, some of which will serve as accurate Guinas for the Tourist, giving every detail in connection with the places, their History, Topography, &c., &c.

The Information afforded in these Descriptions alone would endied to fill on ordinary volume. consisting of over Etoury highly interesting. articles, packed with frots concisoly set out, and containing statistics of the TEADE of each Country and Port.
